This presentation is intended to constitute a summary of certain information about Synlait Milk Limited ("Synlait"). It should be read in conjunction with, and subject to, the explanations and views in the documents previously released to the market by Synlait, including Synlait’s Annual Report for the period ended 31 July 2018.

This presentation is provided for information purposes only. The information contained in this presentation is not intended to be relied upon as advice to investors and does not take into account the investment objectives, financial situation or needs of any particular investor. Investors should assess their own individual financial circumstances and should consult with their own legal, tax, business and/or financial advisers or consultants before making any investment decision.

Certain statements in this presentation constitute forward looking statements and projections as they relate to matters other than statements of historical fact. Such forward looking statements and projections are provided as a general guide only based on management’s current expectations and assumptions and should not be relied upon as an indication or guarantee of future performance. Forward looking statements and projections involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of Synlait and which are subject to change without notice. Actual results, performance or achievements may differ materially from those expressed or implied in this presentation. No person is under any obligation to update this presentation at any time after its release except as required by law and the NZX Main Board Listing Rules.

Past performance information is given for illustration purposes only and is not indicative of future performance and no guarantee of future returns is implied or given.

While all reasonable care has been taken in relation to the preparation of this presentation, to the maximum extent permitted by law, no representation or warranty, expressed or implied, is made as to the accuracy, adequacy, reliability, completeness or reasonableness of any statements, estimates or opinions or other information contained in this presentation, any of which may change without notice. To the maximum extent permitted by law, Synlait, its subsidiaries, and their respective directors, officers, employees, contractors, agents, advisors and affiliates disclaim and will have no liability and responsibility (including, without limitation, liability for negligence) for any direct or indirect loss or damage which may be suffered by any person through use of or reliance on anything contained in, or omitted from, this presentation.

Forward looking statements in this presentation are unaudited and may include non-GAAP financial measures and information. Not all of the financial information (including any non-GAAP information) will have been prepared in accordance with, nor is it intended to comply with: (i) the financial or other reporting requirements of any regulatory body; or (ii) the accounting principles generally accepted in New Zealand or any other jurisdiction with IFRS. Some figures may be rounded and so actual calculation of the figures may differ from the figures in this presentation. Some of the information in this presentation is based on non-GAAP financial information, which does not have a standardised meaning prescribed by GAAP and therefore may not be comparable to similar financial information presented by other entities. Non-GAAP financial information in this presentation has not been audited or reviewed.
